My business is growing dahlias for seed; I don't try to grow all the new varieties, because a lot of them are no good as seed parents; I have spent over ten years supplying growers with the best seed it is possible to produce anywhere in the world, and a great many have made good with it.

My patrons have won Certificates of Merit at Storrs Trial Grounds, numerous First Prizes and Special Awards on their Seedlings at the large shows over this Continent, including the Canadian National; also have had their new introductions on Honor Roll; these include such splendid flowers as: Robert Emmett; Jane Dew; The Yellow Knight; Chinese Lantern; Mrs. Bruce Collins; Cavalcade and others besides my own introductions, such as Mabel Goodacre, Golden Goblin, etc.
